

Skyline Horizon Developers — Builder Profile

Company Overview

Skyline Horizon Developers was founded in 1998 and is headquartered in Bengaluru, Karnataka. The company has delivered residential and commercial developments across multiple cities over more than two decades of operation.

Ongoing Projects

Skyline Horizon Towers — Residential (2/3 BHK apartments), Whitefield, Bengaluru (480 units, possession December 2027)

Horizon Business Park — Commercial (office spaces), Outer Ring Road, Bengaluru (120 units, possession March 2028)

Track Record

Skyline Horizon Developers has maintained a consistent record of RERA-compliant project registrations and has not been subject to any project deregistration by the respective State RERA authority as of the latest available filing.

Prospective buyers are encouraged to independently verify project-specific RERA registration status, litigation history, and completion track record via the official State RERA portal before booking.
